

Work Notice

To meet State Discharge Permit requirements, Placer County will be constructing improvements to the Denitrification Filter System at the SMD 3 Wastewater Treatment Plant on Auburn Folsom Road.

Construction activities will begin on 4/15/10 and continue through the summer.

Please keep in mind:

- Work will be limited to pipe trenching, foundation preparation, and installation of denitrification equipment at the treatment plant.
- Construction hours will typically be from 7:00 am to 3:30 pm.
- Occasional night work will occur throughout the project.
- Occasional deliveries to the site may affect traffic on Auburn Folsom Road; flag men will be used.

A full description of this project can be found at:
